-  A wide choice of personalised registration marks (EJ-XXXX)

Enjoy secure airport services all day, all year round

- › Shannon (SNN/EINN) is a long-standing transatlantic transit stop which offers excellent facilities.
- › Located adjacent to our Shannon Free Zone business park and home to the longest Category 2 runway in Ireland at 3200 metres long and 45 metres wide with 8 metre shoulders each side.
- › 30 Aircraft stands on-site with 50 long-term storage stands.
- › Shannon benefits from efficient and uncongested facilities and a superb weather record
- › North Atlantic Air Traffic Control is based in Shannon: westbound departing flights have direct access to optimum transatlantic tracks and levels (saving fuel and time).
- › Nearly equidistant between the U.S. and the Middle East.
- › Choice of experienced FBO's and Aircraft Handling Companies make for quick turnarounds and very competitive pricing.
- › Competitive fuel pricing and handling charges. Excellent quality and affordable crew hotels. Local MROs licensed to provide engineering cover:
 - › No uplift volume restrictions.
 - › Fuel delivered by ship to Shannon Airport via dedicated marine jetty.
 - › Shannon is the only airport in Ireland with a dedicated aviation fuel hydrant system offering all day, all year-round fuelling service for aircraft. The aviation fuel storage facility is the largest airport storage facility within the state and can hold 50+ days stock.
- › Ensure the utmost security and organization for your aircraft with our advanced demarcation services, clearly marking parking zones to prevent unauthorized access and 24/7 monitoring of perimeter.

A Seamless Entry to the USA through Shannon Airports US Customs and Immigration Preclearance services.

- › In 2010 Shannon Airport was the first airport in the world outside of the US to offer full US Customs & Immigration preclearance for General Aviation. It is still the only airport in either Europe or the Middle East with this unique service. This allows aircraft which are precleared at Shannon to fly directly to over 200 U.S airports. Shannon Preclearance has become a major success story and is now widely used by the business aviation industry.

Benefits of Working in the West of Ireland

Ireland has become the only country in the EU with English as the dominant language, making it an ideal location to set up your European headquarters.

Offers barrier free access to over 500 million consumers in Europe - the world's largest single market.

Ireland is a stable, competitive, secure, and pro-business country, with the fastest growing economy in the Eurozone.

40% Of Ireland's workforce is under 29 years old. Highly educated and skilled with world renowned universities near Shannon.

We're Well Connected

Located on Ireland's stunning west coast, within minutes of leaving your office you could be playing golf on some of the world's top-quality courses, ripping it up on a world-class surfing wave or setting off with your family to enjoy the views from the peak of a rugged mountain. It's more than a place to work, it's a lifestyle.

Businesses and their staff benefit from the Zone's direct motorway access to major Irish cities, with Limerick just a 20-minute drive, and only 45 minutes to exciting Galway City.

More Than A Place to Work

Shannon is situated in the heart of the West of Ireland, centrally located for the Wild Atlantic Way, the world's longest defined coastal touring route and one of the world's most diverse and spectacular coastlines.
